Pars 1: De peccatis Caput 3: De ira (6)

Aristotiles dixit Alexandro:

Vindictam differas donec pertranseat ira.

Diuios rimare apices, mansuesce rogatus,
Legibus insuda, ciuilitate argue sotes,
Vindictam differ donec pertranseat ira,
Nec meminisse uelis odii post uerbera, si sic
Vixeris, eternum extends in secula nomen.
